- Appalachian State University has over 19,000 students attending school in Boone and the main campus entrance is about 1 mile from our shopping center.
- Boone is also home to the Appalachian Regional Medical Center which bought 15.97 acres at Highway 321 and Deerfield Road adjacent to existing Watauga Medical Center to add Comprehensive Outpatient Facility in the short term and to allow for long term expansion of Watauga Medical and Cancer center going forward.
