- Shoppes at Rivercrest is strategically located to command the customer base from the northern half of Hickory and extending 15 miles to the north. In addition to producing a majority of the US made furniture, 40% of the world's fiber optic cable is currently produced in Hickory, and both Google and Apple recently developed large-scale data centers in the Hickory MSA.
- The shopping center is anchored by Wal-Mart`s large proto-type supercenter, 184,211 square feet.
- Caldwell's UHC Center isoptimally located on the outparcel in front of the center with ample opportunity for additional outparcel tenants.
- Large UNC Health facility directly across from project bringing daily traffic
