- Casa Grande's population has doubled since the year 2000, making it the largest city and tax base in Pinal County
- Florence Blvd. is the busiest retail corridor in Casa Grande with over 50,000 cars per day.
- City is on track to complete over 1,000 residential permits this year.
- Over the past two years, Casa Grande has generated significant media attention at the national and international levels. Development announcements from Lucid Motors (electric vehicle manufacturer) and Nokia, a new semi-conductor chip manufacturing facility, will be breaking ground soon which will bring 1,800 jobs to the area
